**TO MAKE PLAY MORE ENJOYABLE FOR ALL –
 IDEAS TO SPEED UP PLAY**

1. Mark scores on the next tee.
2. Park all carts behind the green and in the direction of the next tee.
3. Putt continuously whenever possible.
4. Be prepared to hit when it is your turn.
5. Limit practice swings to ONE or fewer.
6. On the tee, let the first person ready have the honors.
7. Carry a spare ball in your pocket (if possible).
8. When in a cart, save time by putting your clubs away when you arrive at the new ball location.
9. Player has the option to use drop area on #5 and #17, hitting three strokes.

- Know your golf rules. They can help you on decisions and help you speed up play.
- Concentrate and plan your next shot while walking to the ball.
- Leave your bag in line with the next tee.
- Always watch your ball and the balls of your fellow players.
- Mark the balls and location with a land mark. If riding in a cart, drop your partner off at her ball and then proceed to your own ball.
- Please keep moving without delay. Searching for lost balls is limited to 3 minutes.
